Venetian Plaster

CUSTOM DESIGN DECORATIVE PLASTER

Venetian Plaster

YESO Ltd is a team of certified specialists in Venetian plaster, turning your home and working environment into luxurious and modern spaces

CUSTOM DESIGNS

We enjoy working closely with our clients to customize designs based on their lifestyle. We showcase the very best workmanship to deliver the finest plaster finishes.

We are proudly using GIORGIO GRAESAN – a genuine Italian product that consists only of crushed marble and lime. These materials are ecological, class A1 fireproof rated, contain NO solvents, are antibacterial, and contain ZERO volatile organic compounds (VOC).

Venetian plaster is highly sought after by New Zealand architects and interior designers for creating beautiful and unique feature walls, fire places, ceilings and house exteriors. This product can also be used to decor kitchen splashbacks and islands. Most venetian plaster products are suitable for bathrooms and wet areas.

We offer a large range of colours and textures.

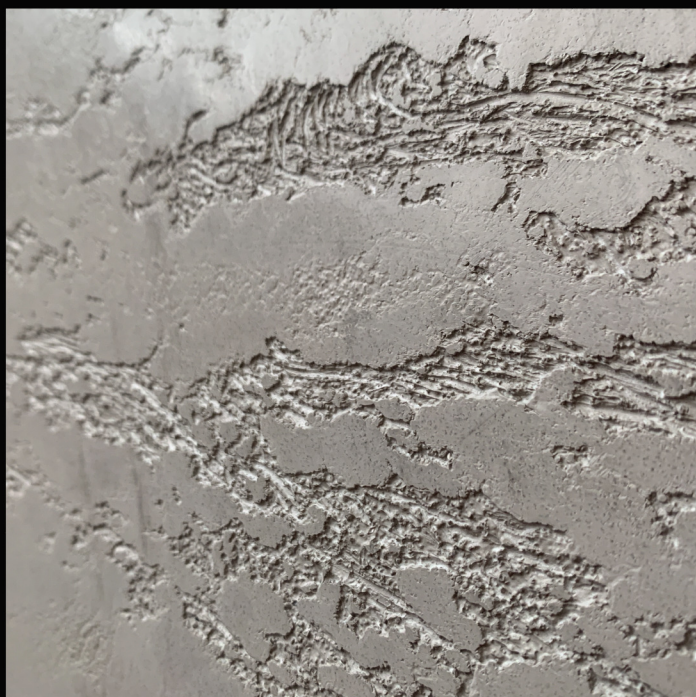

PIETRA BAMBOO

A wall design that reminds you of the magnificent and wild growth of bamboo.

CEMENTO NATURALE

A concrete wall created with lime and minerals. It is completely natural and breathable.

PIETRA SPACCATA

Bring a touch of nature into your home with a finish that has the look and feel of stone.

PIETRA ZEN

Offers a variety of tactile and visual experiences through its application technique. This finish evokes a Zen-like peacefulness.

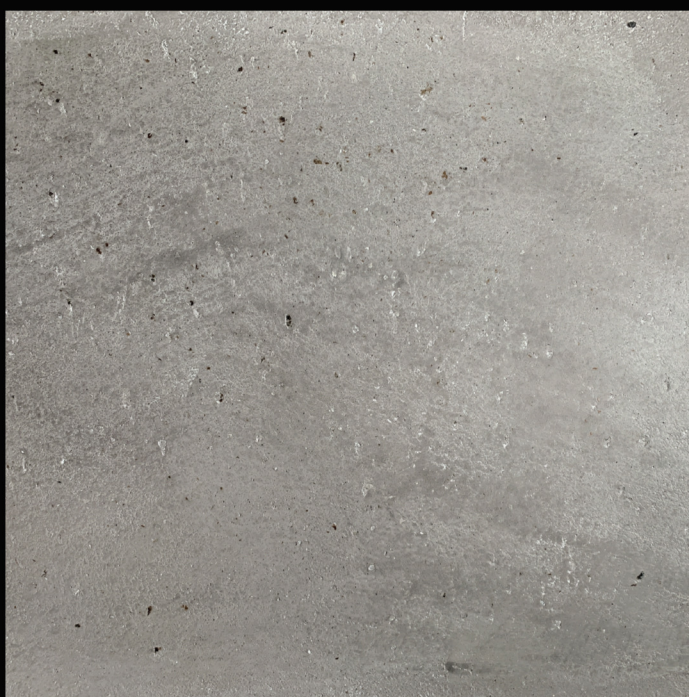

PIETRA LEVIGATA

Elegantly smooth and pleasing to the touch, this stone delivers a refined finish.

MURO NATURALE

A smooth, soft wall, which can be stained and coloured. A lime-based product containing marble powders, minerals and MICA.

MARMORINO

Made using the best original and centuries-old methods giving an authentic look of a marble with a semi-gloss finish.

CONCRETE FINISH

Specifically designed to withstand New Zealand's harsh weather conditions. Suitable for interior and exterior use.

SPATULA STUHI

This product exudes the traditional Venetian culture of glossy stuccos.

TIMBER LOOK FINISH

A natural timber look providing the warmth and character of real timber.

OMBRE FINISH

Colour that is shaded or graduated in tone to provide a soft stone look and feel.

VENETIAN PLASTER IN BATHROOMS AND WET AREAS

Venetian plaster finishes are able to withstand areas of high humidity and moisture, so are suitable for use in the kitchen, bathroom, pool and spa areas.

- ✔ Mould and mildew resistant
- ✔ Easy to clean
- ✔ Smooth surface

LUXURY DECORATIVE PAINTING

Create bespoke designs for your home through a combination of application techniques and high-quality materials to produce the look of shimmering metal, copper, suede and gold finishes for simple but elegant rooms.

EXTERIOR PLASTERING

Our mission is to provide a high-quality plaster finish you'll be proud of for a long time. With 10+ years of experience within New Zealand, Europe and Cook Islands, our passion for the construction industry has driven us to provide the highest quality of workmanship and flexibility to consumer needs.

We specialise in cladding, re-cladding, and exterior plastering for both commercial and residential properties.

We ensure all our work is crafted to perfection.

We are experienced in plaster repairs. This includes repairs to damaged and cracked plaster or remodelling older plasters to new modern finishes.

We are proud to partner with Sharp Exteriors Ltd
